Biography

Gerton Hulsman Member at Large

Elected June 2017 for a period of 2 years

Gerton is a Dutch national with over 40 years' experience in the air cargo industry. He worked for KLM Cargo at various places in the world and gathered experience in Perishable and Pharmaceutical Logistics before changing to the Airport Cargo Handling Sector.

For almost 10 years now, Gerton is Managing Director of Dusseldorf Airport Cargo, a 100% subsidiary of Dusseldorf Airport. One of their main focusses is to offer first class Pharmaceutical Handling for a myriad of manufacturers of Pharmaceutical products in the State of North Rhine Westphalia (NRW).

Gerton is married (no children) and lives in Mulheim Ruhr Germany. His pastime is walking his dog, playing tennis and every weekend a fair amount of miles on the racing bike.

Furthermore he likes to lead his team to ever higher goals and likes to support very much young people, which is absolutely necessary in the Air Cargo Industry.
